

ANNUAL REPORT

2024-2025

The Aksharamuttam educational and charitable trust is a well-known non governmental organization dedicated to bringing about positive change through its educational and charitable initiatives. Established by philanthropists and visionaries on August 2, 2018, Aksharamuttam is devoted to creating service centers and developing infrastructure to support various socio-educational programs and provide centralised educational opportunity to students from marginalized communities. At the heart of the organization's mission is the objective of improving the living standards of minority groups and individuals with disabilities. Aksharamuttam is deeply committed to delivering high-quality education to students from rural areas. It operates based on the principle of "learning by doing", placing emphasis on hands-on, experiential learning methods to enrich the educational experience and enhance outcomes for its students.

Vision
